
Population 1208. Served by D T & I and the Pennsylvania (Cincinnati Division). Cars are interchanged between the two roads and reciprocal switching is in effect. There are about 15 shippers, none of importance. In 1930 the traffic handled was:

	Received	Forwarded	From PRR	To PRR
F	0	0	18	311
O	277	128	1518	1380
T	277	128	1536	1691

The crossing of the two railroads is protected by mechanical interlocking. The D T & I to P R R interchange tracks holds 7 cars and the P R R to D T & I track holds 19 cars.
