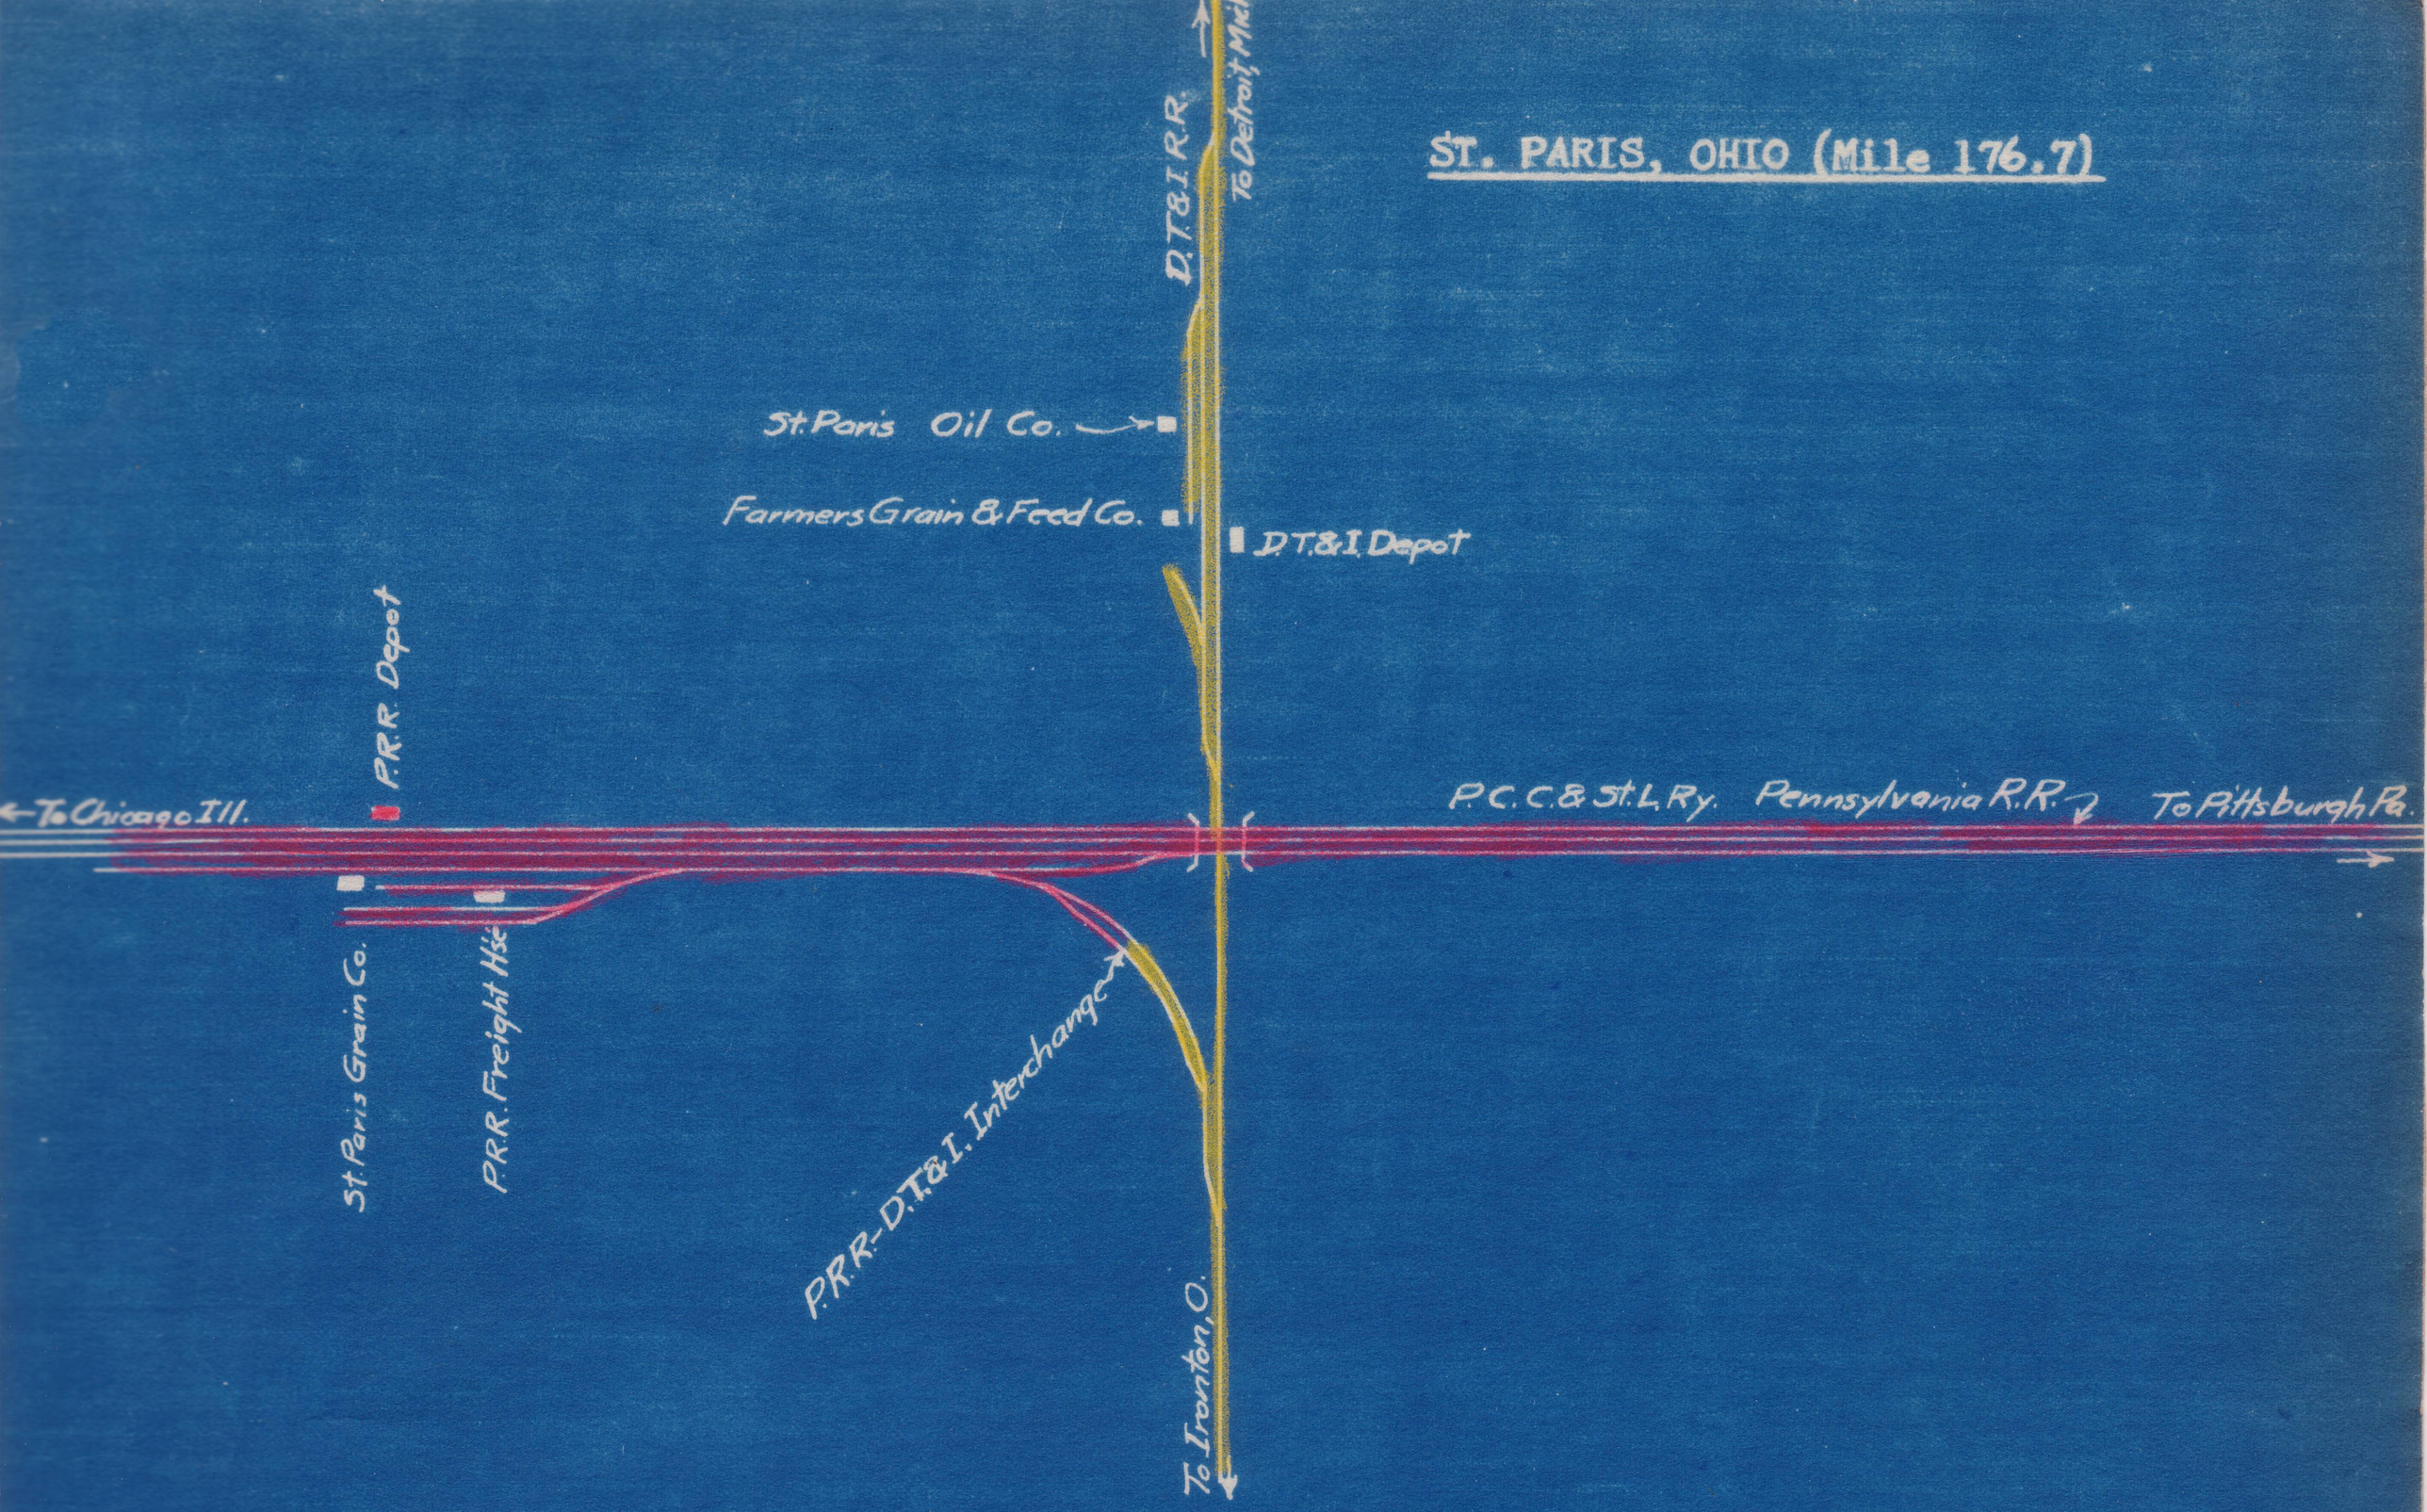
ST. PARIS, OHIO (Mile 176.7)



Population 1,177. No industries of importance. Served by D T & I and Pennsylvania (Columbus Division). Cars are interchanged and reciprocal switching is in effect.

The P R R crosses over the D T & I on a bridge which limits shipments to a height of 17'-9" above the rail and a width of 6'-8" from the center. The two interchange tracks hold 30 cars. There is a water station.

There are ten shippers, none of importance. The carloads handled in 1930 were:

	Received	Forwarded	From PRR	To PRR
F	0	0	1936	1661
O	202	92	1722	688
T	202	92	3658	2349
